Area History

The NWNJA of Narcotics Anonymous is compiled of three New Jersey Counties; Morris, Sussex and Warren Counties. Officially formed, the Northwest Area conducted business in July of 1985 for the first time. However, in 1990 the area split in two; the Morris County Area and the Sussex/Warren Area. But then in May of 1993, We came to believe in a power greater than ourselves and the trusted servants of the Morris County area Sussex County/Warren county area saw the strengths of joining as one and the Northwest Area was formed, as we know it today.

Since the birth, area service has conducted business in the following locations; Dover, Stanhope, Boonton and presently today in Succasunna.

With the heart of the area being Morris County, the Northwest Area started out with less than 5 groups in 1985 and is home to 37 groups in 2015.

Over the years, meetings started to pop up here and there, however many meetings have come and gone, changed names and formats, some have come back to life and others have kept their doors open after many years. The Friday night Total freedom Group which meets at the Hope House in Dover is the oldest meeting to date starting on February 13, 1981. You can see below that groups have come and gone in many towns, below is a list of towns in which groups RIP.

Hopatcong, Mountain Lakes, Kinnelon, Montville, Vernon, Oak Ridge, Madison, Mendham, Pompton Lakes, Sussex County College, Sussex County Juvenile Detention Center, West Milford, Sparta, Dover, Netcong, Andover, Wayne and multiple meetings in Boonton and Morristown

Documentation has been saved over the years from activities to H&I to the groups. In this documentation aka "History & Archives" a vast amount of history, changes, new beginnings and growth of the Northwest Area can be found. "How it Works" still works the same now as it did then but what worked for the groups, the area and its subcommittee then, might not work now and what works now might not have worked then. Take a look and see for yourself.

What is a GSR?

GSRs are elected directly by each N.A. Group and form the foundation of our service structure. By participating in area service, and by attending forums, assemblies, seminars and workshops at both the area and regional levels, the GSRs provide constant active influence over the discussions being carried on within the service structure. If we are vigilant in choosing stable, qualified leaders at this level of service, the remainder of the structure will almost certainly be sound. From this strong foundation, a service structure can be built that will inform, and support the group, as the groups nourish and support the structure.

GSRs bear great responsibility. Their group elects them; they are not merely group messengers. They are selected by their groups to serve as active members of the area service committee. As such, they are responsible to act in the best interest of N.A. as a whole, and not solely as advocates of their own group's priorities.

As full participants in the ASC, GSRs need to be as well informed as they can be concerning the affairs of the committee. They study the reports of the committee's officers and subcommittee chairpersons. They read the various handbooks published by the WSC on each area of service. After carefully considering their own conscience, they take active, critical parts in the discussions, which form the group conscience of the entire committee.

Once a year, the GSR attends the Regional assembly. Since broader discussion of regional assemblies occurs later, in the chapter on Regional service committees, we won't go into any detail about assemblies here, except to mention that attendance at the regional assembly is one responsibility of the GSR. Where called for, most groups agree to cover the expenses associated with the GSR's attendance at the Regional assembly.

Group Service Representatives link their groups with the rest of the NA service structure, particularly through the information conveyed in their reports to and from the Area committee. At group business meetings, the GSRs report provides a summary of ASC activities, often sparking discussions among group members that provide the GSR with a feel for how the Area can better serve the groups needs. In group recovery meetings, GSRs make fliers available announcing Area and Regional activities.

At Area committee meetings, GSR reports provide perspectives on group growth vital to the committee's work. If a group is having problems, the GSR can share those problems with the committee in his report. And if that group hasn't found solutions to those problems, the Area Chairperson will open a slot on the committee's "sharing session" agenda so that the GSR can gather the experience others have had in similar situations. If any helpful solutions arise from the sharing session, the GSR can report those back to the group.

Groups also elect a second representative called an Alternate GSR. The Alternate GSR attends all the ASC meetings (as a non-voting participant) with the GSRs, so that they can see for them self how the committee works. And if the GSR cannot attend an Area committee meeting, the alternate GSR participates in the GSR's place.

The alternate GSR, along with others, also serves on an area subcommittee. Subcommittee experience will give the alternate GSR added perspective on how area services are actually delivered. That perspective will make them a more effective ASC participant if their group asks them to serve as its GSR.

HOSPITALS & INSTITUTIONS SUBCOMMITTEE POLICY

I. DEFINITION AND PURPOSE OF THE SUBCOMMITTEE FOR H&I

THE NORTHWEST AREA H&I subcommittee is a volunteer group of members of NA which exists for the purpose of carrying the NA recovery message to addicts in hospitals, recovery houses, prisons and related facilities. To be helpful to the residents we are governed by the individual rules of the facility, as well as imposing certain standards on ourselves.

This committee is a subcommittee of the NORTHWEST NJ ASC. We shall maintain effective liaison and complete accountability to that committee. A regular business meeting is to be held on the first Tuesday of every month. These meetings will be held at Our Savior Episcopal Church, 155 Morris Avenue, Denville, NJ at 6:30 PM.

II. INTRODUCTION

Welcome to H&I! There are a few things you should know about HOSPITALS AND INSTITUTIONS before you go to your first commitment. The first is that we can only keep what we have by giving it away. You will learn by sharing your experience, strength and hope, that the feeling of sharing is immeasurable. Remember that our primary purpose is to carry the message to the addict who still suffers.

III. THE IMPORTANCE OF H&I

Many people in institutions do not know that NA exists, or what it is about. Our primary purpose as a subcommittee is to let these people know that there is a program that can help them, and that it has helped us. We need to be aware of the manner we project when in an institution. Remember that we are not counselors or professionals of any kind. We are only addicts, just like those who come to our meetings, and we must keep this in mind when carrying the message through H&I.

The identification that the institutionalized addicts will have with the H&I members can provide them with the hope of recovery from addiction. Many addicts in institutions are deep in denial. The best message that we can carry is that we were there and have found a better way. Although we try to avoid telling “war stories”; it is sometimes easier for the institutionalized addict to relate to our “experiences” of our active addiction.

IV. FUNCTIONS OF THE COMMITTEE

- A) Communication and disbursement of all information to and from all panels through their panel leaders.
- B) The distribution of NARCOTICS ANONYMOUS literature to the panel leaders.

- J) Any new H&I member who is accepted on a panel will be given an H&I information packet by the H&I subcommittee.

**Northwest New Jersey Area Service
Committee Robert's Rules of Order
& Attachments**

Robert's Rules of Order

The following is based on Robert's Rules of Order

- I) **Debate:** Debate should be limited to two (2) pros and two (2) cons for each motion unless a 2/3 majority of the voting participants agrees to extend debate
- II) **Main motions:** There are two types of main motions business, and policy motions
- A) Business motions are those motions that will not set, delete, or change policy. Examples might be a Motion to create a Committee to examine tax situation or a motion to take care of everyday business. Business motions require a simple majority vote to pass. Chairperson will decide if a motion is Business or Policy in the event of a question. Chairperson's decision may be appealed.
 - B) Policy motions are those motions, which set, change or delete policy, examples of policy motions are election procedures, terms of office, prudent reserves, budgets, etc.
- III) **Sub-Motions:** Sub-motions are motions that are made during discussion of a main motion (Business or Policy).
- A) **Motion to Amend:** If during the debate of a Motion a member feels that a Motion would benefit from a change to the language of the motion, he or she can say "Motion to amend this motion to read A motion to amend requires a second. If there is no second, the motion to amend is dead and debate returns to the original motion. If a second is found, then the amendment is debated and voted on. An amendment requires a simple majority to pass. If amendment is passed, the amended motion is then either debated further or it is voted on. If the amendment fails, the original motion is debated or voted upon. (Only one amendment to a motion may be on the floor at one time.)
 - B) **Motion to call the question:** A motion to call the question is a motion to stop debate and vote on the motion that is on the table. It requires a second and is not debatable. If it is not seconded, the motion to call the question is dead, if a member is not ready to vote on a motion, or is confused about something, he or she should vote "no" on a motion to call the question. This motion requires a two-thirds majority to pass. If it passes, the main motion is voted on immediately. If it fails, the debate on the main motion is continued.
 - C) **Motion to table:** a motion to table is one way to remove from the floor any motion that is not ready to receive a vote, either because of lack of information on the motion, or because a member feels a group conscience is needed on a motion before they can vote for their Group. A motion to table must include a time or date for the motion to be tabled to, it must be seconded, and it is not debatable. If a motion to table passes, the motion is then tabled to the time or date set. If it fails the debate or voting on the main motion continues. Requires a simple majority.
 - D) **Motion to remove from the table:** this motion is used to bring a motion that has previously been tabled back before the body for debate and/or a vote before the time or date set in the motion to table. This motion requires a second, and it is debatable. It requires a simple majority to pass and if it passes, the tabled motion then becomes the main motion, and is debated and voted upon. If a motion to remove from table fails, the motion referred to remains tabled until the time or date set.
 - E) **Motion to refer:** this motion is used to refer a main motion to a committee for further review, research or disposition. It requires a second, is not debatable and must pass by a simple majority. A motion can be referred to a standing sub-committee or an ad-hoc committee (Note: an ad-hoc committee is a committee where all members are appointed by the chairperson or the ad-hoc committee chair is appointed by the chair and he or she then selects the committee members.) The committee will take up the matter at its next meeting and report its findings or results to the body in a timely manner.
 - F) **Motion to reconsider:** this motion refers to any policy motion that has been in the last two ASC's and certain conditions must exist before this motion can be made. The person making this motion must

have voted “yes” in the original vote. He or she must have information that was not discussed at the time of the original vote. Note: This motion requires a second, is debated, and requires two-thirds majority to pass. If any of the requirements for this motion are not met, the chairperson will rule the motion out of order.

- G) **Motion to withdraw:** once a motion is made and debate begins, the author can ask to withdraw the motion. The chair must then ask if there are any objections, if there is even one objection, the motion cannot be withdrawn. This motion does not require a second, is not debatable, and must be unanimous.
- H) **Substitute motion:** a substitute motion requires a second, it is debatable and requires a simple majority to pass. This is similar to a motion to amend except that a complete motion is substituted instead of just a portion of the motion. If a substitute motion passes, it then replaces the original motion as the main motion.
- I) **Friendly amendment:** a friendly amendment can only be made by the author of the main motion. Its purpose is to allow a minor change to the wording of the motion. The chair will ask if there are any objections to a friendly amendment, if there are, the friendly amendment fails and must be submitted as a motion to amend, if it is still necessary.
- J) **Motion to adjourn:** a motion to adjourn can be made at any time. It requires a second, is not debatable, and requires a two-thirds majority to pass. The chair may rule an obviously frivolous motion to adjourn out of order. Once business is concluded, the chair can adjourn the meeting without a motion to adjourn.

IV) **Other procedures:** in addition to the motions discussed on the preceding pages, there are a few other ways to alter or clarify the proceedings. These are:

- A) **Order of the day:** if a member feels that the meeting is straying too far from the business at hand, he/she may call for the order of the day. This means the chairperson must bring the meeting back to the agenda and to the business at hand. This does not require a second, and must be voted on immediately, regardless of whatever else is going on.
- B) **Point of order:** If a member feels that there has been a violation of procedure and the chairperson does not appear likely to do anything about it, he or she would say out loud ‘point of order.’ The chair must then ask what the point of order is and then make a decision as to whether the point is valid. If he or she is in agreement, he or she then clears up the situation, if he or she disagrees, they overrule the point of order, This, like all decisions of the chair, can be appealed.
- C) **Point of appeal:** any member who disagrees with a decision of the chair may appeal it by saying, “I appeal the decision of the chair.” The chair then asks the member, “On what grounds?” The member then states why he or she feels the decision is wrong (briefly, please). The chair then speaks as to the reason and intent of the decision (also briefly, please). A vote is then taken, requiring a two-thirds majority to overrule the chair.
- D) **Point of inquiry:** if a member wants to do something but is not sure how to do it, they say, “Point of inquiry.” The chair then will attempt to answer the member with the proper procedure needed to address the member’s inquiry. (Note that a point of inquiry is not a question about a motion or general business, it is only a question about procedures. Any questions about motions are answered during debate and must be recognized by the chair before being asked.)
- E) **Point of Personal Privilege:** if there is too much noise in the room, or it is too hot, or you feel the need for a Serenity Prayer, you may make a point of personal privilege to request action by the chair. The chair must recognize you and attempt to remedy the situation, if at all possible.
- F) **Extending Debate:** if a motion is being debated and you are concerned that it will need more than the number of pros and cons allotted, you may request that debate be extended, this request does not need a second, is debatable and requires a simple majority to pass.
