Ad-Hoc Website Report

Mike M.
November 15, 2020

Hello Family,

We met on October 29th with three addicts in attendance.

The following items were discussed:

We recommend Steve G. for Website Chairperson.

The PR meeting was added to the calendar for this month.

3) Discussed putting Area guidelines on the site and when they would be updated. If we do it for now we can start with the copy that is produced each year and if there are changes we can decide whether to update or to wait for Policy to make their yearly updates.

4) Also discussed having minutes published. Both policy and minutes will be under a separate tab/link called "Area Resources".

5) Discussed having groups give high priority announcements at Area that can be added to the site as one way to keep our information up to date. There would be a Website representative to record the announcements so they would be added quickly and accurately

In loving service,
Mike M.
Vice-Chair Report
